

Thank you for celebrating 2021 World Teachers' Day #CelebratingCanberraTeachers

World Teachers' Day is held internationally in early October. As it falls during the school holidays, we celebrate a little later. Make sure you have Friday 29 October in your diary to celebrate!

Every professionally registered teacher in the ACT will be receiving a card and commemorative blue ribbon to say thank you for World Teachers' Day. Find out more about how you might celebrate Canberra teachers celebratingcanberrateachers.com and download the resources below:

The key message is to celebrate Canberra teachers! Teachers (with significant support from parents and carers) have ensured education continues across the country this year, despite major challenges. It's reinforced the vital role teachers play in the lives of children and students, their families, and communities. Be inspired by and use any of the above material to say thank you.
